

Department Of Physics

History of the Department :-

The college was established in the year 1998 with science & Art's stream. The department of physics was established in the year 1998.

Programmes : U.G. / General Level

Course	Semester	Subject Offered
F.Y.B.Sc.	Sem.- I	Mechanics & properties of Matter Heat & Thermodynamics Electricity & Magnetism
	Sem.- II	Applied physics
Practical Course		
S.Y.B.Sc.	Sem - I	Methods for Mathematical physics paper Basic Electronics-Paper-II
	Sem -II	Waves & oscillation-paper-I Applied physics-Paper-II
Practical Course		

Students Profile

- No of students pass out with Good marks every year at F.Y.B.Sc. & S.Y.B.Sc.

Activities

- Student are involved in seminars in the regular classes and given marks for the same.
- Educational tour is arranged every year
- Various Lectures are arranged By Science forum too the up gradation of recent trend in science.

Faculty:-

Prof.Kakade Bhausaheb Narayan

Name	Prof.Kakade Bhausaheb Narayan
Qualification	M.Sc.B.Ed.
Designation	Asst. Professor
Specialization	Physics with Electronics
Experience	13 Years
Cell No.	9405203407
Mail	bhausahebmkakade@yahoo.co.in

Future Plans :

planning to start specialization At T.Y.B.Sc. (U.G.)Level
To organize campus interview to develop student carrier.
