Program Report

Corona-19 virus epidemic has spread all over the world. India has not escaped from the grip of this epidemic. The entire world including India has to suffer huge loss of lives and money due to Corona-19 virus epidemic. There is an atmosphere of fear and layoffs all over the world. In such a situation, schools, colleges and all educational institutions are closed. In fact, the loss of education has been the highest in the entire world. To recover from this, the corona vaccine is a great ray of hope in front of the world. Therefore, every citizen of every country needs to get vaccinated. It is very important to fully vaccinate a country with a large population like India. In India, two indigenously manufactured Corona vaccines, Covishield and Covax, have been prepared. Both these vaccines are being given free of charge by the central government to every citizen above the age of 18 years. The NSS Unit of our college d. On 14th August 2021 from 10:30 am to 12:30 pm under the service of Primary Health Centre, Mhasadi with college organized a Corona Prevention Vaccination Camp in the college for the volunteers, alumni and citizens of the village. Health Officer at Primary Health Center, Mhasadi Dr. Abhishek Deore to administer vaccine dose in this vaccination camp, Supervisor Shilpa Sangare and their colleagues saw the work of vaccination. In this vaccination camp received

enthusiastic response. It was completed by administering 40 doses as per the stock of vaccines received at the vaccination camp. For this, Program Officer of National Service Scheme, Dr. Ramesh Ahire, Assistant Program Officer, Dr. Babasaheb Motale and Women Program Officer Dr. Vanita Pawar and volunteers worked hard. The vaccination camp was organized by NSS Unit in collaboration with Primary Health Centre, Mhasadi.
