**ACADEMIC YEAR- 2021-22**  
**STUDENTS FEEDBACK**

The students are the most important stakeholders of Higher Education system. The interest in participation of students at all levels in both internal quality assurance and external quality assurance has to play a central role. We have collected feedback from our third year students of under graduate when they came to college for examinations. A four point scale feedback from on the curriculum and all facilities provided in our college is developed. We have received total 91 students offline feedback.
